**FOR IMMEDIATE RELEASE**

**MCGHEE PRODUCTIVITY SOLUTIONS ADDS SIX NEW CONSULTANTS TO DELIVER CORPORATE PRODUCTIVITY, E-MAIL OVERLOAD, AND WORK-LIFE BALANCE SERVICES**

**DENVER, CO, February 23, 2009** – Due to the increased demand for corporate strategic planning and productivity education and services, McGhee Productivity Solutions (McGhee) is pleased to announce the addition of six new US-based consultants. Covering a broad geographic base, these individuals are positioned to help spread McGhee’s Take Back Your Life™ methodology and objective accountability programs to corporations and individuals across the nation.

Jason Poag, located in Manhattan, joins McGhee in the New York/New Jersey/Ontario region. He has over 15 years of experience in sales development and business planning where he built a credible reputation with large cosmetic companies in both Canada and the US.

In the Northeast Region located in Boston, is Randy Pierce, a seasoned professional with 17 years of hi-tech experience working in channel strategy, business development, and organizational behavior.

Mario Dones, in the Mid-Atlantic Region, has 18 years of experience with Ritz-Carlton where he has held several senior executive roles including Corporate Director of Global Learning and Area Director of Quality for the Northeast Region.

Leading the Greater Southeast Region out of Atlanta is Karen Mitchal, a consultant with over 20 years of experience as a sales executive at Pepsi-Cola. During her tenure, she successfully led teams in account development and new business acquisition in the restaurant, education, non-traditional retail, and convenience store channels.

Kymme Lightfoot joins the Mid-West Region in Chicago. Kymme has an 18 year background in corporate human resources where she held senior management positions in learning and development for notable Fortune 500 companies including Abbott Labs, Hewitt Associates, and Motorola.

Cheryl Stotter-Magnuson joins McGhee in the Southwest Region in Los Angeles. She brings over two decades of business and consulting experience ranging from Wall Street to the entertainment industry including roles with the NY Mercantile and Commodity Exchange, A&M, MTV, The Alliance Group, Universal Records and most recently, executive coaching with Conceive Coaching.

Each consultant is trained to help executives and their teams succeed both professionally and personally by improving productivity and work-life balance while increasing alignment, focus, integrity and accountability throughout organizations.

“McGhee is excited to bring these talented consultants onto our team,” offers CEO Sally McGhee. “They provide a wider level of expertise and skills that will bring greater value to our customers. This is very appropriate at a time when most of corporate world is reevaluating their strategies and values and preparing to build a new future for themselves in a challenging economy”.

###
